**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In reply to the August 28, 2009 Restriction Requirement, Applicants provisionally  
elect Group I, claims 1-17, with traverse.

It is respectfully submitted that the wrong set of claims were examined. Specifically,  
the preliminary amendment filed September 26, 2006 that included claims 1-30 were  
examined. Instead, the preliminary amendment filed November 27, 2006 that included claims  
1-51 should have been examined. Consequently, withdrawal of the Restriction Requirement  
is respectfully requested.

It is also respectfully submitted that the subject matter of all claims is sufficiently  
related that a thorough search for the subject matter of any one Group of claims would  
encompass a search for the subject matter of the remaining claims. Thus, it is respectfully  
submitted that the search and examination of the entire application could be made without  
serious burden. See MPEP §803 in which it is stated that "if the search and examination of an

entire application can be made without serious burden, the examiner must examine it on the merits, even though it includes claims to independent or distinct inventions" (emphasis added). It is respectfully submitted that this policy should apply in the present application in order to avoid unnecessary delay and expense to Applicants and duplicative examination by the Patent Office.

Thus, withdrawal of the Restriction Requirement is respectfully requested.

Respectfully submitted,

James A. Oliff
